FOR IMMEDIATE RELEASE
Date: Monday February 5, 2017

GOING ON NOW: RETZER NATURE CENTER'S ANNUAL SPRING PRE-SALES!

(WAUKESHA, WI) – Retzer Nature Center's annual Spring Workshop & Pre-Sale of compost bins, rain barrels and native plants is going on now through March 30. Order online and view items at waukeshacounty.gov/SpringSale. Orders will be available for pick up at Retzer Nature Center on May 12 from 9am to noon only.

About the Spring Workshop & Pre-Sale Event

Waukesha County Department of Parks and Land Use will hold its annual Spring Workshop & Pre-Sale Event on February 24 from 9 a.m. to noon at Retzer Nature Center, S14 W28167 Madison Street, Waukesha. Free workshops will be held about home composting, native plant landscaping, rain gardens, and rain barrels. Preview and order pre-sale items while attending workshops that will answer many of your spring preparation questions.

Items Available During the Pre-Sale through March 30

- Home compost bin for \$50 (normally \$60)
- Rain barrel with diverter kit - \$60 (normally \$84), tandem set - \$100 (normally \$121)
- 50 varieties of individual native plants - \$2.50 each or 4 pack of one species for \$8
- Collections available for \$65 – each contains four plants of eight different species
 - Rain Garden Native Plant Collection
 - Native Prairie Garden Plant Collection
 - Butterfly and Hummingbird Garden Collection

For more information about the pre-sale, how to order, or the workshop schedule, call 262-896-8007 or visit our website at waukeshacounty.gov/springsale. For event updates, like [Waukesha County Parks](#) and [Waukesha County Recycles](#) on Facebook.
